

## VACUUM PUMP & FREEZE DRYER SPARES

EDWARDS VACUUM STOCKISTS AND KNF DIAPHRAGM PUMP AGENTS

Single source stockists for Vacuum Pumps, NW/KF/ISO Vacuum Fittings, Vacuum Valves, Vacuum Gauges, Vacuum Pump Oils, Fluids and Greases and spares kits for Edwards Vacuum, KNF, Welch, Leybold, Pfeiffer, etc. We are Edwards Vacuum stockists and authorised agents for KNF diaphragm pumps.

We also supply a wide range of freeze drying chambers and accessories, and spare parts designed for use with the LyoDry Freeze Dryers.

In most cases, they are also compatible with Edwards or Savant Modulyo and Supermodulyo freeze dryers.

As High Vacuum Systems and Freeze Dryer manufacturers, with a combined experience of over fifty years in the industry, we completely understand the need for top quality, competitive pricing and fast turnaround.

We have close historical links with Edwards Vacuum, and incorporate Edwards vacuum pumps and related equipment into many of our vacuum systems and freeze dryers. Therefore, we stock many Edwards parts, in addition to our own range of KF Vacuum Fittings.

Whether it's vacuum fittings or a new RV12 vacuum pump that you need, please contact us for a competitive quotation.
